

SHOWA 257X

This cut protection glove is designed specifically for use in automotive, stamping, and industrial applications. A 13 gauge lightweight design offers high dexterity, very high cut resistance, and can be laundered multiple times without compromising the glove's cut resistance and performance. Thanks to the lightweight, thin construction, the 257X makes a great liner to additional workwear or PPE.

BENEFITS

- Cut-resistant
- Increased dexterity
- Lightweight
- Breathable
- Machine washable
- Form-fitting
- Abrasion-resistant
- Touch screen compatible

FEATURES

- Spandex
- Elasticated wrist cuff
- Aramid knit
- Uncoated

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.
