

## SHOWA 7000R

When handling rough, abrasive materials, the SHOWA 7000R is the ideal general-purpose glove. A full nitrile coating protects hands from punctures and cuts, and a rough surface grip provides optimum tactility when handling wet or greasy components. An elasticated wrist cuff absorbs perspiration and prevents liquid and debris from entering the glove.

### BENEFITS

---

- Cut-resistant
- Abrasion-resistant
- Oil-resistant
- Water-resistant
- Robust grip
- Reusable

### FEATURES

---

- Fully-coated nitrile
- Elasticated wrist cuff
- Cotton liner
- Rough grip

### INDUSTRIES

---

Agriculture

Automotive

DIY

Landscaping

Mechanical

Utilities

### HAZARDS

---

General Purpose
