

SHOWA 7703R

A durable PVC coating ensures the 7703R general-purpose glove provides effective defense against chemicals, oils and grease. Designed for a range of industrial applications, the 7703 features a rough grip and is resistant to abrasion. The soft cotton liner and knit wrist ensure comfort during prolonged periods of wear.

BENEFITS

- Chemical-resistant
- Abrasion-resistant
- Durable
- Oil-resistant
- Soft liner

FEATURES

- Rough grip
- Elasticated wrist cuff
- Full PVC Coating
- Cotton Jersey Liner

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
