

# **SHOWA S-TEX 303**

The S-TEX 303 cut-protection glove provides the highest degree of cut resistance without sacrificing dexterity. A natural rubber palm dip ensures superior wet and dry grip. And for maximum cut defense, the 303 is constructed with a stainless steel liner, Kevlar® fibers, and our patented Hagane Coil® technology. Featuring a form-fitting, breathable design the 303 offers comfort alongside performance.

#### **BENEFITS**

- Flexible
- Form-fitting
- Cut-resistant
- Increased dexterity
- Breathable

## **USER INSTRUCTIONS**

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

## DISCLAIMER
