

SHOWA 960

This heavy-duty general-purpose glove provides workers with a breathable alternative to bulky, inferior cotton or leather gloves. A full PVC coating with rough surface grip minimizes the absorption of water, oil, and grease. The soft cotton liner ensures wearer comfort, and slip-on design allows for easy donning and doffing of the glove.

BENEFITS

- Easy donning and doffing
- Leather alternative
- Breathable

FEATURES

- Cotton liner
- Full PVC Coating
- Rough coating

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
