

SHOWA DURACOIL 546

Featuring SHOWA's engineered DURACoil liner and reinforced with HPPE, this cut and abrasion-resistant glove is an ultra-comfortable multi-usage work glove. The foamed polyurethane palm coating provides good grip and breathability, to keep hands dry within the glove. A seamless and ergonomic design replicates the natural curves of the hand for enhanced dexterity and comfort over long periods of wear.

BENEFITS

- Seamless knit
- Cut-resistant
- Oil-resistant
- Abrasion-resistant
- Breathable
- Flexible
- Form-fitting
- Increased dexterity
- Machine washable

FEATURES

- HPPE reinforced
- Polyurethane coating
- Foam grip
- Elasticated wrist cuff
- Foam polyurethane palm dip
- Ergonomic
- Engineered DURACoil liner

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
