

SHOWA BO700

Ideal for clean applications, the SHOWA BO700 white disposable glove is an excellent alternative to natural rubber gloves. The second-skin feel is soft and comfortable, and the slip-on treatment makes the gloves easy to put on and remove. Made with PVC, the BO700 provides chemical and liquid resistance. The embossed surface ensures excellent gripping action.

BENEFITS

- Form-fitting
- Easy donning and doffing
- Chemical-resistant
- Water-resistant
- Natural Rubber Latex Free

FEATURES

- Unsupported
- Embossed grip
- Full PVC Coating

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
