

SHOWA 350R

Breathable yet durable, the 350R oil-resistant glove is designed with comfort in mind. A nitrile palm-coating provides extra grip when handling small components and heavy objects in wet or oily environments. An open back of hand design reduces perspiration to increase grip inside the glove, and reduce discomfort over long periods of wear.

BENEFITS

- Increased dexterity
- Flexible
- Extra Grip
- Oil-resistant
- Seamless knit
- Lightweight

FEATURES

- Elasticated wrist cuff
- Nitrile palm coating
- Soft liner
- Ergonomic
- Rough grip

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
