

SHOWA B0910

The SHOWA B0910 is a fingerless inner glove to provide extra protection without decreasing dexterity and tactile feel. The seamless, uncoated polyester knit prevents irritation from rubbing, and the elasticated cuff allows for full freedom of wrist movement.

BENEFITS

- Seamless knit
- Flexible
- Increased dexterity
- Machine washable

FEATURES

- Uncoated
- Fingerless
- Elasticated wrist cuff
- Polyester liner

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
